Martha,

Sara receive a notice that the attached memo will be sent out shortly. This is in regard to the Once In, Always In policy memo. There are still some regulatory provisions that apply until rule changes are finalized.

FYI. No action required, but just a heads up that this memo will be coming out in case you want to mention it to Martha/David. AED took the lead on reviewing this for OECA, but I provided some formatting/clarification edits. Let me know if you need anything else. Thanks.

All,

Attached is the signed memo that will be sent to the Regional Air Directors. I am calling Beth Valenciano today, ahead of Penny sending the memo out, to notify her of the memo and the source in Region 5 subject to WWWW.

Once the email goes out to the Regional Air Directors I will let you know so you can share as needed.

Thank you for your help in getting the memo done.
